

DEMONS AND YOUR DNA

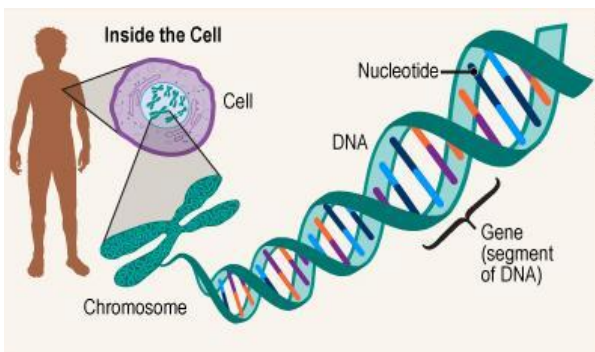

DNA - deoxyribonucleic acid

- ✓ *DNA is the genetic information inside the cells of a body that makes you who you are.*
- ✓ *Think of DNA as instructions for how to make the body. Like the blueprints of a house.*
- ✓ *DNA is your identity. You can be identified by your DNA.*
- ✓ *Our DNA is essentially “the command center” of our life.*

- o Each person inherited 50% of their DNA from their Father, and 50% of their DNA from their mother.
- o Each of our parents inherited 50% of their Father’s DNA, and 50% of their mother’s DNA.
- o This cycle goes all the way back to Adam and Eve.

The DNA we inherit from our parents, even before we are born, already has all the programming for each stage and age of our lives that determines the following about us:

- a. *How tall or short you will be.*
- b. *How heavy set or skinny you will be.*
- c. *The color of your skin.*
- d. *The color of your eyes.*
- e. *At what age you will or will not wear glasses.*
- f. *The type of hair you will have.*
- g. *Your looks and features.*
- h. *Your personality/character.*
- i. *Your likes and dislikes.*
- j. *The way you will process information.*
- k. *How you will react to situations and circumstances.*
- l. *At what age you will have certain sicknesses and diseases. (generational curses)*
- m. *Inclinations at certain ages – drinking, smoking, parting, fornication, prejudices...*

EXAMPLES:

1. *NUNS adopting a newborn baby who grew up in the convent, never seeing the outside world. And at age 15 had strong desires for alcohol, he left and became a drunkard.*
2. *TB JOSHUA'S adopted daughter – "AJoke". Grew up with a most holy man of God, in a very holy place. Yet, in her adolescence became a Kleptomaniac. Became severely rebellious stubborn, and disobedient until she was unadopted by the prophet.*

That's why the following euphemisms that people say, are true:

- o *"The nut doesn't fall far from the tree."*
- o *"You really are a chip off the old block."*
- o *"Like father like son, like mother like daughter."*

Luke 11:47-48 (TPT)

⁴⁷ What hopeless frauds! ... it was your murdering fathers who killed them... ⁴⁸ In fact, by erecting monuments to the prophets they killed, you demonstrate your agreement with your murdering ancestors and bear witness to their deeds. You're no better than them!

DNA replication passes on from one generation to another with almost no errors at all. Which means that whatever disorders are hidden in the DNA you inherited, will surely surface in your life at certain ages. Covid -19 Vaccine sped up that hidden disorder.

Witchcraft curses, physical disorders, mental disorders, spiritual disorders, sicknesses, and diseases are demons that hide in your DNA to recreate the same sufferings your ancestors troubled with.

But for these demons to activate their generational curses in a person's life, the conditions must be right.

EXAMPLE:

1. Your parents had a divorce!
 - ✓ *In the womb of your mother a demon of divorce was already tied to your DNA.*
 - ✓ *The demon will ensure you a personality just like your mom or dad that was maybe, unforgiving, or non-affectionate, or hot tempered, or lustful, or selfish.*
 - ✓ *They will then tempt you to be attracted to a man or woman that hates all the above qualities and let you fall in love with him/her. And when the time is right in the relationship, trouble, trouble - BOOM – DIVORCE!*
2. One of your Ancestors had Diabetes!
 - ✓ *In the womb of your mother a demon of diabetes was already tied to your DNA.*
 - ✓ *As you grow, that demon will give you a taste from excessive sugar and salt.*

- ✓ *That demon will ensure you are constantly exposed to sweet and salty things.*
- ✓ *Unbeknown to you, at the right time, because of the unhealthy eating habits, diabetes is now ready to reveal itself in your body.*

3. Many of your ancestors troubled with anger and depression!

- ✓ *In the womb of your mother a demon of depression and anger was already tied to your DNA.*
- ✓ *That demon will ensure that he creates troubles and failings, constant frustrating situations so you can become constantly upset.*
- ✓ *Then finally anger and depression can be activated in your life.*

4. Homosexual tendencies in the bloodline.

- ✓ *In the womb of your mother, if there are homosexual tendencies in the bloodline, a demon has already tied itself to your DNA.*
- ✓ *That demon will then ensure that you have mixed feelings about your identity.*
- ✓ *That demon will then create situations where you will be sexually violated in one way or the other.*
- ✓ *That demon will then constantly put lying thoughts in your head about who you are...*
- ✓ *That demon will then bring people of the same kind into your life for to entertain same sex attraction. At this point people start to take the bait and choose to be homosexual. (some resist)*

So, whatever curses you inherited in your DNA, demons watch over and protect with their life to ensure that these curses are activated at certain stages of your life and are also passed on to your descendants.

Sexually transmitted diseases are in fact demons lodged in your genetic material that are transferred through body fluids and bloodlines.

THE SAME IS TRUE OF YOUR SPIRITUAL DNA:

- ✓ **Our SPIRITUAL DNA should have been a sacred link to God and an invitation to be part of his family.**
- ✓ **At birth, God should have been our greatest desire and attraction.**
- ✓ **But because of the original sin of Adam and Eve, our SPIRITUAL DNA was manipulated, and at physical birth our spirit-man was born dead towards God.**
- ✓ **And that's why Jesus came and said you must be born again from above...**

Genesis 1:26–28 (NKJV)

²⁶ Then God said, “Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.” ²⁷ So God created man in His own image; in the image of God He created him; male and female He created them. ²⁸ Then God blessed them, and God said to them, “Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.”

Genesis 3:20 (AMP)

20 The man called his wife’s name Eve [life spring], because she was the mother of all the living.

Romans 5:14 (NLT)

¹⁴ Still, everyone died—from the time of Adam to the time of Moses—even those who did not disobey an explicit commandment of God, as Adam did. Now Adam is a symbol, a representation of Christ, who was yet to come.

After being born again, our spirit-man is now alive. But our souls need to be freed and restored.
